SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Dawson Trails Metropolitan District No. 5 (the District) is a quasi-municipal corporation and political subdivision of the State of Colorado under Title 32, Article 1 of the Colorado Revised Statutes, and was organized (Originally as Dawson Ridge Metropolitan District No. 5) by order of the District Court in Douglas County on October 31, 1985, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District was established to provide construction, installation, financing and operation of public improvements.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1- 105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and, generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the property tax summary information page of the budget.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate	Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%	Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%	Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%	Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%	Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%	State Assessed	27.90%	Lodging	\$30,000
		Oil & Gas Production	87.50%

Revenues (Continued)

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 9% of the property taxes collected.

Expenditures

Transfers to Dawson Trails Metropolitan District No. 1

The District intends to enter into a Master Intergovernmental Agreement, whereby Dawson Trails Metropolitan District No. 1 will provide certain operation, maintenance and administrative services benefitting the District. The District will pay all costs of such services through the imposition of ad valorem property taxes and transferring the net tax revenues to Dawson Trails Metropolitan District No. 1.

Debt and Leases

The District has no debt, nor any capital and operating leases.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to Dawson Trails Metropolitan District No. 1, which pays for all Districts' operations and maintenance costs, and which provides for the required reserve amount, an Emergency Reserve is not reflected in the District's Budget.

This information is an integral part of the accompanying budget.
